

Pasek LED posiada tryb muzyczny
(kolory zmieniają się w rytm muzyki).
Wybierz w menu „Scene”.
Ostatnie 3 tryby to tryby muzyczne.

The LED strip has a music mode
(colors change to the rhythm of the music).
Start the “Scene” interface, in which there are
different scenes mode to choose from,
the last 3 modes are Music Mode,
then the light is able to hear the voice around.

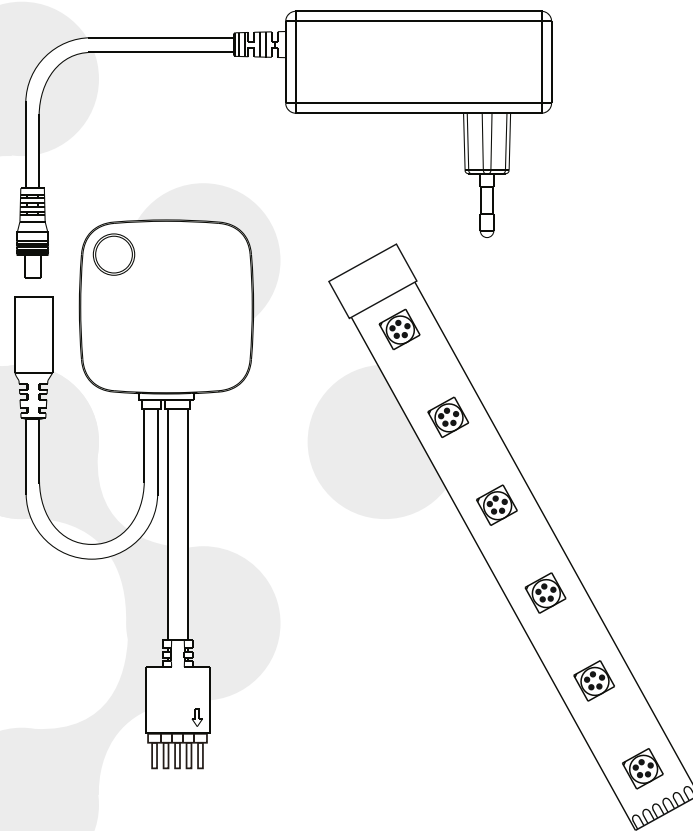

Nie zakrywaj kontrolera!
Don't cover the controller!
